

The Eyes of Meaghan Smith

Photographer Healer and Coach Without Words

Notice Caring in the Moment
And listen to silence
behind what you see
present to awareness.
Do not think.

Make it safe for everyone
With as the moment of power
Magical moment of relationship
Movement about to be happy

Being for the waiting
One moment into next
Heart takes picture
From universe of possible image

Now is the moment of symmetry
Now is the moment of Peace, Love and Justice
Clarity, Courage, and Now.
